Like it's Yours!

When you speak about the boat with family and friends it will be like it is yours. You know where it is, you are familiar with it, you know exactly what to bring for amazing adventures afloat. You can truly experience "life beyond the shore".

Peace of Mind

We will provide you with extensive training on use of your vessel. Safety comes with proficient use and understanding capability. And, if things do go wrong we are here to help, backed by comprehensive insurance cover.

Affordable

We can tailor a membership package to fit within your budget. We just need to pair you with like-minded others, allowing you to enjoy your dream boat within your budget. Make, model, location are all dimensions we can adjust to meet your needs.

Flexible

While we want you to stay with your boat for the term, we also understand that things change. We provide you options to get out, move up or even get into a whole boat of your own.

The Path to getting into the boat of your dreams is simple.
